1. WHEN THESE TERMS APPLY

1.1 These Terms will apply when you make use of any of the Services, including via the Weploy App.

2. FEES YOU MUST PAY

2.1 In consideration of Weploy providing the Services, you agree to pay the applicable Fees to Weploy. The specific Fees you will pay will depend on which Services you use, which may be specified by Weploy in a Rates Card or on the Staffing Request Form. Fees will be calculated based on timesheets submitted by the Temporary Employees. Timesheets must be reviewed and approved or rejected by Tuesday 12pm. Please note if not done, the timesheet will be automatically approved.

2.2 If no such payment terms are specified then the Fees will be payable within 7 days of the date of any invoice of Weploy
2.3 Permanent placement fees will be invoiced at time of the Candidate's 1st day of work. Payment terms are strictly 30 days from the 1st day of work for the candidate. The replacement guarantee is only valid if all invoices are paid in full within 30 days of start date.

6. SERVICES

6.1 You may request the provision of Temporary or Permanent Employees by submitting the online Staffing Request Form with the Weploy App and agreeing to pay the applicable Fees (Job), and Weploy will allocate this Job to the first available Temporary Employee.

7. REPLACEMENT GUARANTEE FOR PERMANENT PLACEMENTS

7.1 Weploy will endeavour to find a replacement Candidate at no additional recruitment fee should a Candidate leave their employment within 3 months of commencement where:

- the Client causes the successful candidate to leave their employment due to the Candidate's lack of performance (measured against the original agreed job description); or
- the Candidate chooses to leave their employment for any reason except where the work they are required to perform is not substantially the same as the original agreed job description, or through any illegal or unreasonable behaviour of the Client.

This is subject to Weploy having the replacement assignment as an exclusive assignment for not less than 8 weeks. There is no replacement guarantee for a replacement guarantee.

Should Weploy be unsuccessful in replacing the Candidate after 8 weeks, the replacement fee will be available to the Client as a credit, so long as the Client has not been unreasonable in filling the role. Such a credit may be applied toward future placement(s) of both permanent or temporary roles.

$$BF = \$5,445 + ((600 - EH) \times \text{Hourly Margin})$$

Where:

BF = the Buyout Fee for the Temporary Employee

EH = the number of hours which the Temporary Employee has been paid by Weploy as Weploy's employee (as calculated by Weploy), to a maximum of 600 hours (Engagement Hours).

Without limiting the above formula, the following is an example of the amount of the Buyout Fee payable depending on the Engagement Hours worked by the Temporary Employee
