At the end of each week, the Weployee will submit their timesheet for approval by you, the Weployer, via the Weploy app, which will reflect the hours worked. As the Weployer, you will have by 12 PM Tuesday to approve or dispute the timesheet via your Weployer dashboard. Please note that if the submitted timesheet is not approved or disputed within till 12 PM Tuesday, the timesheet will be automatically approved.

Upon receiving a timesheet dispute, Weploy will review the dispute and deem it acceptable or rejected. If the dispute is accepted, Weploy will reduce the amount payable accordingly. If the dispute is rejected, the timesheet will stand as valid and Weploy will invoice you accordingly.

In order to reject a timesheet, you must have bona-fide reasons to do so (i.e. inaccurate record of hours worked) and are obligated to inform Weploy.
